

**2<sup>nd</sup> Strategy conference on occupational health and safety:  
Cross the borders: Towards a better integration of health and safety  
into society  
3-4 February 2011, DGUV Academy Dresden**

Draft Programme

### **3 February 2011**

#### **The core issues of International and European strategies on health and safety**

- ILO Global Strategy on Occupational Safety and Health; ILO Convention No. 187
- ISSA Seoul Declaration
- EU OSHA Community Strategy on health and safety at work
- ENWHP European Health Strategy
- NDPHS Strategy on Health at Work
- IALI Action Plan
- ICOH (International Commission on Occupational Health)
- IOHA (International Occupational Hygiene Association)

[On the basis of the 1<sup>st</sup> strategy conference and e.g. the NDPHS strategy on Health at Work:  
[http://www.ndphs.org//documents/779/NDPHS\\_Strategy\\_on\\_Health\\_at\\_Work.pdf](http://www.ndphs.org//documents/779/NDPHS_Strategy_on_Health_at_Work.pdf) core issues will be  
analysed - presented e.g. on flags; one flag per core issue with reference to the strategies]

#### **Implementation of the International and European strategies at national level: How do the national strategies deal with these core issues?**

[One national example of implementation per core issue; presentation, talking circles?]

Possible core issues:

- Occupational health services
- Cooperation between Public Health and OSH
- Health and safety as a matter of lifestyle
- Workplace Health Promotion
- Integrated Dynamic Social Security
- Competence and capacity building

#### **Expectations of the national stakeholders regarding the International and European strategies**

#### **Mid term review of the Community Strategy on health and safety at work 2007-2012**

- Report by EU-OSHA or ACSH of DG Employment, Social Affairs and Equal Opportunities
- How to evaluate supranational strategies? Lothar Lissner, Kooperationsstelle Hamburg

## **FORUM: Experiences at country level**

[open session; National OSH profiles]

## **Evening event**

## **4 February 2011**

### **The Seoul Declaration: A platform for the coordination of national strategies**

Hans-Horst Konkolewsky, International Social Security Association (ISSA)

### **Integration of the core issues of the International and European strategies into national OSH policies and other policy areas of the society, based on the Seoul Declaration**

- The International Observatory for the development of a Culture of Prevention
- KOSHA
